

SUNDECK
— YACHTS —

480

Unequal to other yachts in her class size, the Sundeck Yachts 480 is a perfect entry-level trawler cruiser for the owner-operator. An axe bow slices the seas, allowing for the custom-designed hull to provide maximum efficiency and fuel economy. Vacuum-bagged, resin infusion build process ensures a solid hull below the waterline. Cored materials help to reduce weight while maintaining strength.

Walk-around decks allow for easy movement around the 480, including a starboard side pantograph door.

Featuring 3 stateroom cabins and an aft stateroom for extra guests or temporary crew, you can pack up the family and hit the water in style.

L.O.A	15,40 m	50' 06"
Beam	4,55 m	14' 11"
Draft	1,20 m	4' 0"
Fuel Tank	2000 l	528 US gal.
Water Tank	700 l	184 US gal.
Engines Options		
2 x FTP N67 450hp	900 hp - (max 23 knots)	
2 x Cummins QSB6.7 480hp	960 hp - (max 24 knots)	
2 x Mercury 6.7 480hp	960 hp - (max 24 knots)	
Displacement speed / range	9 knots - 1.200 nm range	
Cruising Speed / range	17 knots - 550 nm range	
Max Speed / range	24 knots - 440 nm range	
Certification	CE-A	
Staterooms (cabins - heads)	3/4 - 3 + 1	

CONSTRUCTION OF DISTINCTION

Modern building techniques by traditional craftsmen

Skilled craftsmen with years of instilled experience still know the value of working with their hands. Crafting a Sundeck Yacht requires a special touch, to feel the precision, appreciate the finish and understand each component. They gain a sense of the finesse of each yacht. The strength of each hull is inherent in the controlled resin infusion and vacuum-bagging processes of each fiberglass component. Construction of each fiberglass mold is supported by a proven design carved on a 5-axis CNC (computer numerical control) milling machine, for precision cutting and sizing.

Solid fiberglass hulls and foam-cored infused stringers add rigidity to the forms. Foam-cored bulkheads and honey-combed backings help to reduce weight. With production facilities in Fano and Ravenna, Italy, Sundeck Yachts sources and crafts most components themselves, maintaining a high level of quality control throughout the build process. With the current facilities, Sundeck Yachts can be crafting up to 10 yachts simultaneously, at varying levels of completion. Launching and commissioning of each yacht is performed at each yard.

SUNDECK COLLECTION

The Sundeck Yachts fleet includes custom designed Open, Sport and Cruising yachts from 43 to 85 feet, as well as the 124-foot (38 meters) megayacht.
